ASSIGNMENT

WHEREAS, The Bright Group, Inc., a Florida Corporation (d/b/a Bright Medical Instruments) (hereinafter called "Assignor"), has full unencumbered title to certain new and useful inventions or discoveries disclosed and/or claimed in the U.S. Patent listed in Exhibit A, hereto annexed; and

WHEREAS, DePuy Spine, Inc. a corporation of the State of Ohio, (hereinafter called "Assignee"), is desirous of acquiring the entire right, title, and interest therein;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One Dollar and other valuable considerations to it, the receipt of which is hereby acknowledged, Assignor has sold, assigned, and transferred, and does hereby sell, assign, and transfer unto said Assignee the entire right, title, and interest in all U.S. Patents listed in Exhibit A, hereto annexed, and in and to all extensions, renewals and reissues thereof, including without limitations of generality, any and all choses in action and any and all claims and demands, both at law and in equity, that said Assignor has or may have for damages or profits accrued or to accrue on account of the infringement of any of said Letters Patents, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made;

And for the consideration aforesaid, Assignor covenants and agrees with said Assignee that it has a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title it warrants unto said Assignee, its successors and assigns;

And for the consideration aforesaid, Assignor further covenants and agrees that it will, whenever requested, but without cost to it promptly communicate to said Assignee or its representatives any facts known to it relating to said inventions and discoveries, testify in any interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for the said inventions and discoveries or that may be necessary to vest in said Assignee the complete title to the said inventions and discoveries and patents hereby conveyed and to enable it to record said title.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be signed by its duly authorized officer on this 8th day of January, 2004.
